

Spiritual Frontiers Fellowship International - Raleigh Chapter
presents

Nostradamus and the Millennium

*At the August 2 meeting, Dolores Cannon will describe how remarkable contact was made with the **living** Nostradamus and discuss the fascinating information uncovered.*

The August lecture about Nostradamus is not a run-of-the-mill speculation over the prophetic meanings of his enigmatic quatrains. Through her hypnosis clients and using a special code that Spirit gave her, Dolores Cannon actually contacted Michel de Nostredame while he was living. Numerous biographical writings tell his story of being visited by a filmy, ghostly spirit who talked with him about the future. Nostradamus described his visual image of her client in this way during one of Dolores' sessions!

This amazing contact made through psychic time travel resulted in her three-volume set, *Conversations with Nostradamus*, which contains the correct translations of all his known prophecies (quatrains) interpreted for the first time. This includes quatrains never before in print!

Dolores will talk about Nostradamus' predictions that have come true since her books were first published in 1989. She will discuss possible predictions for the next 20 years and how the worst-case scenarios can be avoided and offer information about the Third Anti-Christ; possible Third World War; which areas will survive a possible Earth shift; the Great Genius that comes after the Anti-Christ; and the role of ETs in the future thousand years of peace.

Dolores Cannon is a past-life regressionist and hypno-therapist who specializes in the recovery and cataloging of "Lost Knowledge." She has toured much of the globe to discuss her particular brand of psychic research and was the first foreigner to receive the Orpheus Award in Bulgaria for the highest advancement in the research of psychic phenomena. Dolores has appeared on various specials on the BBC, CBS, NBC, FOX, ABC, the Sci-Fi Channel and A&E television networks among others and has done over 1000 radio talk shows. Past Life/Future Life Workshop

Saturday, August 4, 2001, 1-4 p.m.
Friends Meeting House
625 Tower Street
Raleigh, NC 27607
Cost: \$50 (\$35 if paid by August 2)

Group regression is accomplished by simple visualization and imagery techniques. The entire group will be taken back in time to past lives; they will meet their spiritual guide or guardian angel, and they will go to a lifetime in the future. After each experience, participants will write down what they have seen; group interaction and discussion will follow. This has been a very popular workshop all over the world. Usually Dolores Cannon has participants lie on the floor to be more relaxed; so those who attend will need to bring pillows as well as writing materials. To register early, call Alice Hough at 859-0067.

With the exception of the September issue, the regular mail version of *Lightworks* is now a simple flyer. The full version with articles will be available on the internet. The URL is **www.spiritual-frontiers.com**. Article submissions for the online issues should be emailed to Kim Kasdorf at <kasdorfj@ix.netcom.com>.
