# Communicating with Loved Ones on the Other Side

*Mary Beth Wrenn is a psychic and medium who can communicate with your loved ones 'on the other side'. Let her show you how!*

Mary Beth has personally experienced the loss of a loved one. "It's like a part of you has died too. For many years I hoped, prayed and wished that I would meet a psychic/medium who could bring him back, if only for a few minutes. Just to say goodbye. To no avail - I didn't find someone, until I realized that I could communicate with the other side, myself!"

"We Don't Die! Death is just a portal to a higher-level of energy, or dimension. Our loved ones are right here with us, existing on a much higher level of consciousness. I believe that everyone has this ability to converse with 'the other side' and that our loved ones are listening! Take the time to learn how to communicate with your loved ones! Hear their messages through your body, mind and soul. We all have this unique ability to communicate with the other side. It just takes an open heart and an open mind!"

Mary Beth Wrenn has been Communicating with the other side for over 14 years. She discovered this ability early in her career. As she conducted readings, she began to experience spontaneous 'channelings' of friends' dead relatives. "They were screaming in my ear, trying to get my attention. It was the most annoying thing to experience!" Soon she realized that she could not conduct a 'normal' psychic reading without first acknowledging the querent's family and friends on the other side. "Once all the messages were conveyed and their energy pulled back, then I could complete the rest of the reading. That's when I realized that I was a psychic/medium."

Mary Beth Wrenn is a gifted natural clairvoyant, psychic/medium. She has been a favorite on numerous morning radio shows in the Raleigh and Charlotte, NC areas. Previously she was the public relations director for North Carolina Mutual UFO Network and the founder of the *Metaphysical Meet N Greets* of Raleigh, Greensboro, Winston-Salem and Charlotte. Currently she owns and edits the *Community Spirit Magazine - The Metaphysical Meeting Place of the Central Piedmont*.

With the immense popularity of John Edward's TV show *Crossing Over*, and with the openness of people's attitudes, Mary Beth feels it's time to share her gift with others on a grander scale and teach it to those who are interested in communicating with 'the other side.' Please join us for a wonderful and enlightening evening.
