*2006 Astrological Forecast:
Living the Mystery*

“Kelly is wowing the astrological community everywhere with his creative synthesis of astrology, quantum physics, poetry, metaphysics, Jungian psychology, spirituality, philosophy and martial arts. He is a new generation astrologer-Renaissance man.” - Washington State Astrological Society.

With Jupiter in Scorpio and Chiron in Aquarius, we are being asked to embrace the unknown and open to the path of the sacred humanitarian. This year promises a turning point for the status quo and systems of organization, opening with a Fixed Grand Cross. What’s even more intense is the Yod to Saturn in this mighty configuration! Mars in Taurus, Saturn in Leo, Jupiter in Scorpio and Neptune in Aquarius invoke the power of the Four Royal Stars of Persia and the Four Living Creatures before the throne of Divine Being.

Everything we’ve been doing since the Great Conjunction of Jupiter and Saturn in Taurus in the year 2000 is coming up for testing, asking us to engage the infinite, transform our lives, and return to the simplicity of living an authentic, extraordinary life. When we forsake our gifts and the seasons of the soul that are woven into our lives, we add to the shadow of humanity. But when we live the destiny so eloquently expressed in our birth charts and learn to navigate the changes, we awaken to a new life of joy.

The poet Yeats said, “Life is not a problem to be solved, but a mystery to be lived and a source of revelation.” In this presentation Kelly Lee Phipps will enlighten us about the dynamic opportunities available to us in 2006 as we gain the astrological insights we need to truly live the mystery in all its cosmic grandeur.

Kelly Lee Phipps is the author of *Celestial Renaissance: A Revolution of Astrology* and *Brazenwood* an astrology-inspired fantasy adventure novel. His first collection of poetry is called *Rising from Ashes: The Poetic Cycles of Transformation*. Based in Asheville, North Carolina, he is actively involved in advancing the field of astrology, interpreting birth charts for folks around the globe. He also specializes in teaching astrology and educational tools that help to both enliven the archetypes of astrology and bring this sacred language down to earth. He has created the Celestial Navigator Astrology Toolkit as well as a CD educational course called *The SacredLanguage of Astrology*.

Kelly grew up in Boulder, Colorado, where he encountered a series of great teachers who launched him on the path of self-discovery at age 14. By 15, he was already meditating, immersing himself in astrology and cultivating various spiritual practices into his life. Not only was he interested in metaphysics and Jungian psychology, he also studied Japanese, martial arts, played football, and ran track. For Kelly, the mind-body connection has been extremely important to maintaining a vibrant, unreasonably happy life. Having Sag rising with four planets in Sag, a Gemini Moon and an Aquarius Sun has helped too! (Link to his chart here: http://kellyleephipps.com/astrology_services/Hand_drawn_chart.htm).

You can contact him at 828-281-2832 or through email at astrologer@kellyleephipps.com. Visit his website at www.kellyleephipps.com.

Astrological Readings with Kelly

Kelly will offer **two-hour** astrological readings on Friday, January 6, and Saturday, January 7. Sessions cost \$150. To make an appointment, please contact Susan Johnston at 919-782-6391 or [<kerrendtr@hotmail.com>](mailto:kerrendtr@hotmail.com).

One of Kelly's clients, Benjamin Bernstein, had this to say about his sessions: "Kelly's extraordinary astrological insights are breathtaking — if there's a level beyond genius, that's where he's working."

Healing Meditation

At the early meditation, Diana Henderson and three members from her channeling group, Metatron's Circle, will lead a channeled meditation. The group of four will anchor energy at each of the compass directions and share a loving channeled meditation to instill a high vibration of Light for the coming year within those who attend. This "group" channeled meditation is a first for SFF; so come early if you wish to participate in this experience.

In a group channeling, often several Light Beings bring forth messages that flow one into another on the same subject through each member of the group. At other times, the same Light Being communicates through each participant.

Long-time SFF Healing and Meditations Chairperson Diana Henderson, who is leaving the board after the January meeting to devote more time to her work, will lead a brief "cosmic" meditation prior to the speaker at the main meeting as a close to her six years acting in this capacity.
