Proceeds go to support our operating costs and enable us to continue providing speakers and programs for the metaphysical community.

Many, many thanks to each of the participating practitioners, and to all our volunteer angels and other contributors both behind the scenes and during the event.

★Astrology, Tarot, & Intuitive Readings

(Bring birth date, time, & place for astrology readings.)

Beth Owl's Daughter has been reading the **tarot** since 1972 as a method to help people gain insight and clarity when faced with the choices and challenges of life.

Dan Trollinger is a **spiritual counselor & healer** with a Masters of Divinity from Yale University; he teaches classes on healing, channeling, shamanism, prayer, and spirituality.

Diana Henderson has been doing **spirit-guided psychic & runic readings** for several years. Readings may include clairaudience, clairvoyance, and light trance channeling, and often speak to soul purpose.

Jeff Cooper, a **shaman**, goes into the spiritual representation of a person's body and communicates with any totem animals, reports any health problems he finds, and possibly makes minor repairs.

Mary Mooney is a Reiki master who will offer either **intuitive readings** or **sangoma divination**. Sangomas are African shamans who rely on divination as part of their healing.

John Simone is a **tarot reader & intuitive** with over 30 years experience as a psychic reader. He is the author of *Psychic Awareness: Everything You Need to Know to Develop Your Psychic Abilities*.

Josiane d'Hoop is a medical **intuitive, Reiki master, & certified hypnotherapist** who also teaches meditation, intuition development, alternative healing methods, and self-empowerment.

Kemp Ward gives **saga card readings**, which weave a story around your question, give insight to the situation that led to the question, and answer other questions that arise and often prove more important than the original.

Pam Scarborough will do **Akashic records readings**.

★Aura Photography by Marsha Burger

The **aura camera** is a biofeedback and sensor system. Your aura photo will show colors located at different places around your head, indicating traits about you and your personality; includes a printed interpretation guide.

Our Mission

At the Raleigh Chapter of Spiritual Frontiers Fellowship International, our mission is to enhance the spiritual, mystical, and metaphysical awareness and consciousness of our community by sponsoring programs that facilitate personal growth and development and a holistic approach to health and living.

Within the scope of our mission, we choose speakers who offer a variety of views and philosophies, but SFF does not endorse any speakers' statements or beliefs. You are invited to come with an open mind and depart with all that feels true for you.

Audio Recordings

Recordings of most SFF programs are available; a catalog is available at the Thursday lectures. To order, send \$10 for each copy on a single MP3 CD, \$15 for standard audio CD on 2 disks to:
