Get Your “Money Freq” On

Are you tired of doing without money? Are you bored with financial hardships? Are you one of the countless, hard-working people desperately attempting to make your dreams a reality, BUT you can't seem to get where you want to go?

Eddie Conner is serious about healing America's “real” crack problem, “The Big BUT Syndrome”—the money-BUTS of negative emotion and self-doubt that extinguish our dreams. So he teaches people how to get their “Money Freq On” with practical ways to kick your own BUT and enhance your money, your career, and love.

Psychic since childhood, Eddie left North Carolina in 1995 for Los Angeles to succeed in metaphysical media and spiritual authorship. He has achieved international applause as an author, speaker, and humorist, and as the creator of Meta-Fun-ics®—“Making Metaphysics Fun.” His book *Kicking the Big BUT Syndrome* received a Top Performer Award and Editor's Choice and Reader's Choice recognition; he recently released his first DVD, *Living the Hi-Frequency Life!* He is a columnist for *The Caster*, *Power Agent*, *Meta Arts*, and *Inner Change* magazines; facilitates world tours and spiritual retreats; hosts the television show “Living the Hi-Frequency Life” and the radio show “Hi-Frequency Living” at LATalkRadio.com; and is working on two television shows for national syndication. Learn more about Eddie, and see a clip of his DVD, at www.EddieConner.com.

Everyone has a money frequency—our “Money Freq.” Even when we're sleeping we're vibrating a frequency about our monetary matters. Everyone desires a better quality of life. As humans, we must achieve harmony with the essence of dollars in order to attract the dollars.

With Eddie's trademarked methodology, which includes healing through humor, actionable acronyms, Meta-FUN-ics and Eddie's vibratory vernacular, we'll learn new ways to “Think Outside the Money BUT” and “Unlock the Universe Within” to clear old beliefs that may accidentally be self-sabotaging us; then we'll spin our existing *poverty* consciousness into a *prosperity* consciousness and be elevated higher into BUT-Free Living principles.

A copy of Eddie's new DVD will be given as a door prize; his books, CDs, DVDs, and gift cards will be available for sale.

Join us for Eddie's “BUT Loads of Hi-Frequency Laughter”; bring a friend and laugh your way into enlightenment.

Early Meditation

Come early for the Healing Meditation. The first few minutes are focused on sending healing Love and Light to Mother Earth and her inhabitants.

Then join us for a wide-ranging meditation with **Michael Seltzer**. It will include a balancing, clearing, and scanning exercise to remove stress, pain, and negativity and to center us; a focusing meditation to clear our minds of chatter and ego and to learn to have single minded focus; and a visualization or guided meditation on a path to spirit to connect with the truth of who we are.

Michael is Director of LifsWork, a company that provides training, development, and consulting services to individuals and corporations on empowering themselves to achieve and realize their optimum capabilities and to bring a balanced, fulfilling, successful, joyful existence to their lives. Through workshops, seminars, and individual counseling, people learn how to manage their careers successfully, find their true passions, and express them authentically in their lives.

Born in Brooklyn, and raised in Toronto, Los Angeles, and Long Island, Michael now lives in Raleigh. He is a Reiki II therapist, Transformational Breath facilitator, and hypnotherapist. He is also a relationship, spiritual, wellness, and business coach. He has a BS in business economics and finance and will be studying for his doctorate in behavioral psychology. Contact Michael at **LifsWork@hotmail.com**.

The Healing Meditation begins at 6:30 pm in the Ralph Waldo Emerson room. **Please arrive on time** to optimize the energies of the group.
