

Our annual **Psychic & Healing Fair** features many of the area's top psychics, readers, and healers who have donated their time and talents to support our operating costs and enable us to provide programs for the metaphysical community. You'll be able to sample one or several 20-minute mini-sessions throughout the evening.

Healing Arts & Massage Therapy are offered by Jeff Cooper, a shaman; Tom Hildebrand, an intuitive healer; and Vickie Penninger, a Reiki master, shaman, and crystal energy therapist.

Astrology, Tarot, & Intuitive Readings are offered by Beth Owl's Daughter, a tarot reader; Bona Dea Constantino, a hypnotherapist; Christina Graham, a medium and clairvoyant; Elizabeth Wilson, a holistic astrologer and tarot reader; Mary Mooney, a Reiki master and intuitive reader; Rommel Edwards, a tarot reader; Stephanie Massengale, an intuitive life coach and empath; Steven Rogat, a clairvoyant and Thought Field Therapist; and Susan Marie Vinci, a clairvoyant and medical intuitive.

Aura Photographs are offered by Marsha Burger for \$30 and include a printed interpretation guide.
