## ***The Power of Soul for Healing and Transformation***

*The purpose of life is to serve. There are many ways to do so, even from your home and in every moment of your daily life. It can become your way of life to heal and transform yourself and others.*

This is a premise of the life work of Dr. Zhi Gang Sha and his Soul Power Series of books. **Allan Chuck** has been a student of Dr. Sha for 10 years and is now one of his Worldwide Representatives. In his talk with us he will describe the Soul Power techniques that “awaken the healing power already present in all of us,” and will demonstrate the healings, by way of “Divine Soul Downloads,” to some of our audience member volunteers.

Here is a sample of what has been said about this work:

“... [I]t has been my joy to witness how those who apply [Dr. Sha’s] teachings and techniques experience increased energy, joy, harmony, and peace in their lives... Through his Soul Power Series, Dr. Sha guides the reader into a consciousness of healing not only of body, mind, and spirit, but also of the heart. I consider his healing path to be a universal spiritual practice, a journey into genuine transformation.” ~ Dr. Michael Bernard Beckwith.

“Now we have a new doorway to the power of soul—one of appreciation, devotion, and above all, of unconditional love at its most powerful. The soul is our major guide. Its power is limitless... Dr. Sha, assisted by Soul Power and Divine Soul Downloads, is the transformer.” ~ C. Norman Shealy, M.D., Ph.D.

“The power of soul can heal, prevent illness, rejuvenate, prolong life, and transform consciousness and every aspect of life, including relationships and finances... The power of soul will awaken and transform the consciousness of humanity and all souls.” ~ Dr. Zhi Gang Sha.

About our speaker, Dr. Sha has said, “I cannot appreciate and honor my final editor of this book, Allan Chuck, enough for his great contribution... He is responsible for training our Divine Writers and Divine Editors. He has made great contributions to Heaven’s Library publications and to our entire mission.”

Allan travels the world from his home near Toronto, Ontario, Canada, teaching and demonstrating this healing process. Over the weekend prior to his evening with SFF he will be a speaker at the Body Mind Spirit Expo in Raleigh. He is a Divine Channel, Divine Direct Soul Communicator, Divine Healer, Divine Writer, and Divine Editor with the Sha organization; he currently is focused on his role as Chief Editor for Heaven’s Library and the Soul Power book series.
