Meet Your Guardian Angel

Guardian angels are assigned to protect and guide a particular person or group. Belief in guardian angels can be traced throughout all antiquity; belief in both the East and the West is that guardian angels protect the person they are assigned to, and present prayers on that person's behalf. Belief in guardian angels has been held by Pagans, Babylonians, and Assyrians; spoken of in Judaism ("The people have a heavenly representative, a guardian angel."), Christianity ("Every soul was assigned a guardian angel the moment it was put into a body"), Islam ("Each person has two guardian angels, one on each side."), and more. (from Wikipedia)

In this talk, **Karen Paolino Correia** will lead a powerful meditation designed to teach you how to communicate with your angels and receive messages of divine guidance for help in every aspect of your life. Everyone, including you, has at least two guardian angels watching over and guiding you at all times, she says.

For almost two decades, Karen has helped thousands of people around the world through her books, workshops, certification programs, and private sessions. Her path to spiritual awakening and transformation began in the wake of a cancer diagnosis and healing journey in 1995, leading her to a discovery of the amazing power of the mind, body, and spirit to heal. She has combined certifications in personal training, yoga, hypnotherapy, mediumship, and as an Angel Therapy Practitioner to empower others to heal and discover their true magnificence. In 1999, she established Heaven on Earth, her spiritual center for the soul, where she offers classes and workshops in healing and spiritual modalities, and facilitates her private practice of soul coaching with hypnosis, Angel and mediumship readings, past life regressions, and hypnotherapy.

She has published four books, which will be available for sale at the talk; a portion of the proceeds goes to support SFF:

- *101 Ways to Meet Your Angels*
- *How To Contact Your Angels*
- *The Everything Guide to Angels*
- *What Would Love Do? A 40-Day Journey to Transform Your Fears into Miracles of Love.*

Karen will also share messages of divine guidance to certain individuals, as guided. She is known and remembered by many, she says, for her mantra, "Be open to your highest and best, better than you could ever imagine." Learn more about her and her work at her website, www.CreateHeaven.com.
