Meet and Work with Your Higher Energies

We are in a new era: An energy shift that began in 2012 opened the planet to a higher frequency of spiritual, creative, and loving vibrations that continue to expand.

Do you wonder if there are unseen presences guiding and caring for you? Would you like to communicate with and access higher vibrations of love and guidance? In this talk, **Sherrie Dillard** will share her knowledge of interactions with spirit guides, angels, and higher vibrational energies and will show us how to become more aware of our own spirit helpers. She'll introduce us to our own "cosmic dream teams"—the spiritual beings who help us create and live our most powerful lives—through experiential meditations and visualizations. For several audience volunteers, she will tune in to their own guides, angels, and loved ones to share their messages and to illustrate the distinct and varied influences that are available to us.

Psychic since childhood, Sherrie Dillard is a professional psychic, medium, counselor, and teacher for over 30 years. From her practice in Durham, she has given over 50,000 readings worldwide, serving an international clientele that includes spiritual leaders, celebrities, and business executives. She hosts "Intuit YOUiversity," a weekly radio show on Transformation talk radio, and is the author of four books:

- *Discover Your Psychic Type: Developing and Using Your Natural Intuition*
- *Love and Intuition: A Psychic's Guide to Creating Lasting Love*
- *The Miracle Workers Handbook: Seven Levels of Power and Manifestation of the Virgin Mary*
- *You Are a Medium: Discover Your Natural Abilities to Communicate with the Other Side.*

In 2010, she spoke for SFF about her experience solving crimes intuitively; she teamed up with astrologer Bernie Ashman for our 2012 annual forecast; and she has been a frequent participant in SFF's annual Psychic & Healing Fairs. Learn more about Sherrie and her work at www.SherrieDillard.com.
