

# Spiritual Frontiers Fellowship *presents* ***The Shortcut to Enlightenment***

**Rev. Daniel A. Chesbro** says that according to Buddha, "You must be born, live a while, get sick, loose everything, and die..." Jesus said, "For a man (person) to enter the Kingdom of Heaven, you must be born again..." And, Tom Sawyer said, "You must be born, live a while, and die..."

During his presentation on *The Shortcut to Enlightenment* Rev. Chesbro will discuss The Four Noble Truths in Buddhism: The Truth of Suffering, The Truth of the Cause of Suffering, The Truth of the Cessation of Suffering, and The Truth of the Path to Nirvana (Enlightenment).

He will also talk about the Eight Fold Path of meditation in the Fourth Dimension; the Three Poisons in today's society; and the Buddha (the Teacher), the Dharma (the teachings of Buddha), and the Sanga, the Community (beyond the Human Condition).

He will discuss and compare the teachings of Jesus, Buddha, the Dalai Lama, and Tom Sawyer. And, by the end you will learn that you may demand enlightenment, you may be born enlightened, or you may take the shortcut to enlightenment.

Rev. Chesbro is an Ordained Minister, Intuitive Counselor, lecturer and teacher. He combines sensitive intuitive abilities with a ministerial background, psychological training, and metaphysical knowledge to teach, guide, and enhance the lives of those he encounters. A dynamic lecturer and teacher, he encourages others to self-love, self-confidence, balance and the pursuit of their own High Spiritual Self.

Daniel was born in Groton, Connecticut on August 22, 1944. His intuitive abilities awakened in childhood with dreams and a "feeling" of guidance. As a college student at the University of Connecticut, his experiences guided him to pursue a ministerial career. Following seminary training at Andover Newton Theological School, Crozer Seminary, and Colgate Divinity School, Rev. Chesbro became an American Baptist Minister, serving congregations in Boston, Philadelphia, Rochester and Webster, New York. At age 33, he began traveling to spiritual conferences, teaching, counseling, lecturing, and appearing on radio and television. For several years, he hosted a cablevision program called "The Open Door." His work has taken him all over the United States, to Canada, Europe, India, Tibet and Egypt.
