**Tammy De Mirza** is a channel and psychic medium with 45 years of experience in bringing to people the messages and information they need for healing and growth. She will begin her presentation with a channeling for the group's themes for the evening. Then Tammy will allow Spirit to guide her to those individuals for whom she has messages that will not only bring personal healing, but will also continue to address the needs of the entire audience.

Tammy has studied with several well-known masters, teachers, and mediums, but she continues to rely most upon her own direct divine connection. This knowledge comes to her both upon waking each morning and by visions and teachings throughout the day. In addition to private consultations, Tammy is also currently developing courses for students of spiritual development.

SFF meets the first Thursday of every month except July
