Are Wiccans and Witches the same thing? Are they Pagans? Is there a difference? Spend an enlightening evening with Tamara Davis, a Pagan by birth, and learn how a modern religion evolved from its ancient shamanic Pagan roots. You will learn about Wiccan beliefs, what the different traditions are, and how they are practiced. Walking through the Wiccan year, Tamara will describe how a Wiccan's worship and traditions are shaped by the seasons and nature. We will also see how the media's sensational depictions of Wicca and Witches have affected the real religion of Wicca.

Tamara currently holds the position of Chair of the Council of the Church of the Earth in Raleigh. She is a staff member of Pagan Pride Raleigh, and a founding member of the South Wake Spiritual Community.
